Get Organized With TopXNotes! TopXNotes is great for holiday gift lists, party and menu planning, recipes, travel notes and directions, and organizing all the little bits of information cluttering your desktop. With TopXNotes touch you can take your notes with you on the move.

You don't need a note or task manager that takes more time to learn than use. You need a simple, easy to learn, easy to use personal note and task manager like TopXNotes. TopXNotes is a full-featured personal note manager. Create, view and multiview, organize, and instantly access your Mac notes with TopXNotes. You can also encrypt sensitive information to protect it and create iPod notes with TopXNotes.

TopXNotes has been awarded 4 out of 5 mice by Macworld magazine in their "Summer of Mac Gems" series of reviews and 9 of 10 by Macsimum News (now part of MacTech), Macworld UK and Macworld Australia. TopXNotes was favored by the Macworld reviewer for its "clean, single window interface that puts controls for highlighting and marking up your text right at your fingertips," as well as its exclusive QuickNotes feature for instant note access, NoteOrganizer and note synchronization (NoteSync) with Apple touch devices including iPhone, iPod touch and iPad. NoteSync will sync between one Mac running TopNotes and TopXNotes touch on iPad, iPhone or iPod touch. Now you can take your notes with you no matter which Apple touch device you are using!
