

Fun New Coloring Book App For iPhone/iPad/iPod For Kids

Published on 01/10/13

With the success of the first coloring app, iOS development company Internet Design Zone today introduces Coloring For Kids 2, its second coloring book app for iPhone, iPad or iPod touch. Ideal for kids in the age group 4-12 years, kids will spend hours coloring with their fingers. Coloring For Kids features 9 categories with 100 funny and cute images to choose from. With new coloring pages and features, this is the ideal app for kids to paint and have a great time.

Mumbai, India - Internet Design Zone, an iOS app developer company, today is pleased to release their latest coloring book iPhone/iPad app: Coloring For Kids 2, a sequel to the very popular Coloring for kids app. This fun coloring book app will keep kids busy coloring new pages with their fingers. This app is ideal for parents who want their kids to indulge in a creative activity.

The app is ideal for kids in the age group 4-12 years. This is the age when children get interested in drawing and painting. Parents would like their child to get involved in some artistic activity instead of playing silly games. There's no need of any art material or any chance of paint spilling on the floor. This is a ready to use coloring book for their kids.

Why kids will love this app?

- * Funny and cute images to be filled with color - Outlines and reference images are provided
- * 9 categories and 100 images to choose from
- * Colors can be changed with a finger touch - Unlimited color choices
- * One could save the completed pictures and use them as wallpapers

Why parents will love this app?

- * Kids will be engaged for hours in an enjoyable creative activity
- * Kids will develop an interest in drawing and painting
- * Parents could spot a creative streak in their children - Who knows if the child is a born artist?

Features:

- * Free to download and try out
- * Four brush sizes and three brush choices available
- * Zoom in to color in proper detail

There are 9 categories to choose from: Fantasy, Transport, Animals, Nature, Kids Stuff, Food, Sea Life, Birds and People. The first 2 sections are free to try out. The other 7 are available via an in-app purchase. This app promises a funfilled time for kids.
