Klaipeda, Lithuania - Realore introduces Farm Mania: Hot Vacation 1.0 for Mac, the time management title that was previously created for PC. It's the third installment in the Farm Mania series about farmer girl Anna. Farm Mania: Hot Vacation features improved graphics, new tasks and upgrades as well as new types of plants to grow.

The game follows the main characters of the series - Anna, her husband Bob, Grandma and Grandpa. This time they decide to take a vacation and visit some countries around the world. On their first stop, they learn about a farming contest featuring great prizes. It's a big challenge but farming runs in Anna's blood, so, along with her family, she decides to prove her skills and become the best farmer worldwide.

The action takes place in Australia, Egypt and China. Players will grow exotic fruits and vegetables such as pomegranates and kiwi. They will also take care of cattle and poultry to produce feathers and fleece. Sometimes the animals escape from the farm, and players will be required to find them in mini-games.

In Farm Mania: Hot Vacation there are total 59 levels, including 11 hidden object mini-games. Players can buy upgrades and advanced equipment to improve their farm. They can also learn skills at school so some tasks can be done faster. The story can be enjoyed in two modes - casual and arcade. All the multitasks combined create a busy atmosphere of a picturesque farm.
