

Mac Games Arcade 1.1 Released - Offers Free Game

Published on 04/22/09

Mac Games Arcade, the digital download application for Mac Games, has been updated to version 1.1. The new update includes a number of new features including the ability to pre-order games, sort games in the My Games window, queue downloads, auto-discounts to the cart system, and dozens of other fixes and changes. Mac Games Arcade is a digital download application that allows you to download, purchase, and maintain your Macintosh games, all in an easy to use Mac-like interface.

Calgary, Canada - Mac Games Arcade, the digital download application for Mac Games, has been updated to version 1.1. The new update includes a number of new features including the ability to pre-order games, sort games in the My Games window, queue downloads, auto-discounts to the cart system, and dozens of other fixes and changes.

Mac Games Arcade is a digital download application that allows you to download, purchase, and maintain your Macintosh games, all in an easy to use Mac-like interface. You download the application and run it on your Mac.

In addition, the company today announced it will be offering a free game a month via Mac Games Arcade. Users simply have to download Mac Games Arcade and then will find instructions on how to access the free game. This month the company is offering a free copy of Burger Shop. A new free game will be available on May 1st and other new games the following months.

Mac Games Arcade is available as a free download from the Mac Games Arcade web site. The application is just a 2 MB download. Mac Games Arcade requires Mac OS X 10.4.11 or later. For more information, please visit the Mac Games Arcade web site.
