

Roman Empire New Server Opening Announcement

Published on 02/02/13

Roman Empire is a free massively-multiplayer strategy game based on the theme of Roman history. It was released on 15 July 2011. The brute style of the game leaves a very deep impression. In order to provide a better gaming environment to the fans, iFree Studio announced that a new server was opened on 28 January with some exciting events coming along. Beside the hard mode scenario, several features are to be added into the game. Just be patient and ready for the new challenge.

Hong Kong, China - Roman Empire, an entertaining strategy mobile game, which is one of the earliest SLG games developed by iFree Studio Limited for iOS and Android being released on 15 July 2011. It found a wide strong fan base and got popular in North America. Now iFree Studio announced to open a new server with various events to thank their fans' long time support. And the new features are coming soon. Beside the hard mode scenario, several features are to be added into the game. Just be patient and ready for the new challenge.

Event 1: New Lords Gifts

1. If players reach at least level 15 on 4 February 2013 at 8 am GMT, they will get Bless of Building II.
2. If players reach at least level 30 on 11 February 2013 at 8 am GMT, they will get 100 Gold coins.

Event 2: Time-limited Charge Bonus

From Jan-28-2013 to Feb-4-2013

To celebrate the creation of our new world, Uranus, your first charge will have a 10% bonus on Gold purchased in the next 7 days.

Event 3: Top Lords (New World)

The event ends in 8am GMT, Feb-4-2013

Top 20 Lords on the player rank receive rewards as below:

The champion Lord gets a Ring of Earth (Command 340)

The 2nd - 4th Lords get a Ring of Bronze (Command 300)

The 5th - 10th Lords get a Gold Chest and a Gold Key (random rare item)

The 11th - 20th Lords get a Hera Blessing (1 - 5 Castle Space)

Presented in fantastic graphics, Roman Empire is a historical multiplayer war game you can enjoy in its depth of strategies, and abundant elements of units, equipments as well as historical celebrities. Slaves riots led by Spartacus broke out and ravaged throughout the Roman empire, and the new flame of war ignited, raging over the country. You must pick a side in this troubled time, build up your own city, recruit an undefeatable army of veteran soldiers and celebrated generals, and bring peace again to this ancient land.

If you are a big fan of Roman history, do not hesitate to search Roman Empire in the App Store and download it. The game will make you feel like you are reconstructing the history. Just enjoy it.
