

Mega-Prompt Announces Mega Bee App Release

Published on 02/21/13

Mega-Prompt today announces the acquisition and re-launch of the Mega Bee mobile game for the iPhone, iPad and iPod touch. Mega Bee is a fast-paced arcade game with several challenging levels. Users swipe the Busy Bee character around the screen to collect items, while attempting to avoid various hazards. Players can enhance their gaming experience in the Mega Bee store using coins earned through play to purchase different Bee characters, extra lives and other tools.

Silver Spring, Maryland - Mega-Prompt, a mobile app developer and publisher, announced the acquisition and re-launch of the Mega Bee mobile game for the iPhone, iPad and iPod touch. Both the free and the HD versions are available at the Apple App Store.

Mega Bee is a fast-paced arcade game with several challenging levels. Users swipe the Busy Bee character around the screen to collect items, while attempting to avoid various hazards. Levels become progressively harder as Busy Bee works to save Princess Bee from Dragon Island. A hard mode option provides a greater challenge, making Mega Bee an entertaining and addictive game for users of all ages. Players can enhance their gaming experience in the Mega Bee store using coins earned through play to purchase different Bee characters, extra lives and other tools. By using the Game Center, players can track their high score and compete against friends.

Mega Bee features include:

- * Simple fast-paced, swiping collection gameplay
- * 6 Unique stages with more on the way
- * Unlockable hard mode with "Gangnam Style" Easter egg
- * Retina display ready and suitable for all ages
- * Game Center Leaderboards for every stage
- * Option to earn gold to purchase game upgrades
- * No advertisements in HD version

Mega-Prompt President, Rodney Wildermuth said, "Mega Bee is an exciting new venture for Mega-Prompt. At Mega-Prompt, it's our goal to be engaging and responsive to the input of our users. After a soft release, we received feedback that the ads on Mega Bee HD were very distracting. So we removed them. Current users can look forward to more updates from Mega-Prompt coming shortly, as well as new apps in the future."

Pricing and Availability:

Mega Bee HD is \$1.99 USD (or equivalent amount in other currencies) and available worldwide exclusively through the App Store in the Games category. There is a free version of Mega Bee for iPhone available. More information can be found at Mega-Prompt online. Follow us on Twitter @megaprompt and like us on Facebook.
