

## Get Hooked On All Words Up

Published on 03/19/13

Arizona based ArchSquare Studio today introduces All Words Up 1.0, their new entertainment app for iPhone and iPad devices. The development team has captured the best components of Boggle and Bejeweled, and combined them into one addicting game. All Words Up is a fun word game full of skill, strategy, and speed. Simply swipe letters on the board to make words. The letters are worth a different amount of points, so plan out the best words for the optimal score.

Phoenix, Arizona - ArchSquare Studio today is proud announce the release of "All Words Up" 1.0, their new entertainment app for iPhone and iPad. The development team has captured the best components of Boggle and Bejeweled, and combined them into one addicting game. All Words Up is a fun word game full of skill, strategy, and speed.

Simply swipe letters on the board to make words. The letters are worth a different amount of points, so plan out the best words for the optimal score. Swipe as many words as you can before the time runs out! Plan your strategy to level up and obtain the #1 high score in the Game Center Global Leader Board.

Here are some review testimonies from our fans:

- \* "Love this... Definitely my new favorite app. Could so drain my iPad battery on this one!" - Sherri 0924
- \* "I have been playing for 10 minutes and I am addicted. Fun game. Not too easy. Not too hard." - Mommy to LPR
- \* "Omg love the challenge of my brain." - 211paramount

Ready to join the fun? Download the app for Free now and see why people around the world are getting hooked on All Words Up. Just be sure you have extra time on your hands because you'll be addicted once you start playing!
