

## Big Sliding - Can You Navigate the Seabed Cave Safely?

Published on 03/20/13

Mpeople Inc. today announces Big Sliding 1.1, an update to its game title for iPhone and iPod touch. Big Sliding is a game that stingray enjoys sliding on the water in the seabed cave and pushes obstacles out of the screen by firing the projectiles during sliding. Blow away stress by tilting iPhone to fire projectiles at obstacles to push them out of the way before stingray meets it. Big Sliding features 3 stages, including beginner, intermediate and expert.

Seoul, Korea - Mpeople Inc. today is pleased to announce the release of Big Sliding 1.1, an update to its game title for iPhone and iPod touch. Big Sliding is a game that stingray enjoys sliding on the water in the seabed cave and pushes obstacles out of the screen by firing the projectiles during sliding.

With easy game play, Big Sliding consists of 3 stages: beginner, intermediate and expert. The game leverages the devices accelerometer to indicate the direction to shoot the projectiles. If the stingray meets obstacles while he enjoys sliding on the water players tilt the iPhone to the direction to shoot the projectiles. To shoot the projectiles, players simply tap the screen.

### Features:

- \* There are no violent scenes like guns and knives
- \* Realistic descriptions for projectiles, obstacles and water
- \* Adopted fluid modeling to represent vivid water

Big Sliding adopts (water) fluid modeling and (physics engine) from box2d to represent vivid movement of water, projectiles and obstacles. Beware though! Look out for projectiles that go upwards sometimes when you shoot them downwards. There are invisible barriers beneath the stingray so be prepared for rolling obstacles and projectiles.

### Device Requirements:

- \* iPhone 4, 4s, iPhone 5, iPod touch
- \* Requires iOS4.3 or later
- \* 12.2 MB

### Pricing and Availability:

Big Sliding 1.1 is only \$0.99 USD (or equivalent amount in other currencies) and available worldwide exclusively through the App Store in the Games category.
