Published on 04/11/13

Monster Robot Studios introduces HEAVY - sword 0.1, a retro inspired platformer in the vein of NES/SNES classics like Mario Bros. 3 and Super Mario World. Think super mario with swords. HEAVY - sword is a beautiful blend of old and new with awesome pixelated characters surrounded by colorful rendered backgrounds. Players run, jump, dash, chop, bomb, smash their way through goblins, orcs, ogres, and loads of other dangers on an exciting quest to rescue the Princess Lucinda from the Ogre King.

Hopkinton, Massachusetts - Monster Robot Studios is proud to announce the release of HEAVY - sword 0.1 a retro inspired platformer adventure in the vein of NES/SNES classics like Mario Bros. 3 and Super Mario World. Think Super Mario with swords! HEAVY - sword is a beautiful blend of old and new with wonderfully animated pixelated characters surrounded by bright and colorful rendered backgrounds.

Take control of a young hero by the name of Pike! Run, jump, dash, chop, bomb, smash your way through Goblin, orcs, ogres, Robot knights, Wizards, lava, falling rocks, man eating plants, and loads of other dangers on your exciting quest to rescue the Princess Lucinda from the Ogre King!

HEAVY sword offers a great adventure and fun for older gamers who remember the retro classics, and also younger gamers who never had a chance to play the originals that we've all come to love.
