

## Graphic Node Launches a Non-Profit Set of Templates for Mail

Published on 04/18/13

Graphic Node, a graphic design company that specializes in creating themes, templates, and illustrations for Mac OS X, has announced another addition to its product range, with a twist. All proceeds from the Mix Mail 1.0 collection will be donated to My Square charity that works to help underprivileged families in Lithuania. Mix Mail supplies users with an extensive collection of design choices for putting their emails together.

Sakiai, Lithuania - Graphic Node, a graphic design company that specializes in creating themes, templates, and illustrations for Mac OS X, has announced another addition to its product range, with a twist. All proceeds from the Mix Mail 1.0 collection will be donated to My Square charity that works to help underprivileged families in Lithuania.

"We have been standing by My Square's team since the word go," said Jolita Unguvaitiene, the general manager of Graphic Node. "These guys have done some amazing things even though they have only been active for less than a year. Therefore, the decision to dedicate an app for the benefit of My Square and its good deeds just came naturally."

Mix Mail supplies users with an extensive collection of design choices for putting their emails together. All 120 available templates are divided into five categories: Basic, Daily, Greetings, Invitations, and Travel. Most of the templates contain multiple color schemes or design variations, offering an impressive selection for every occasion.

### System Requirements:

- \* Requires Mac OS X 10.6.6 or later
- \* Apple iWork 08 or later
- \* 49.2 MB

### Pricing and Availability:

Mix Mail 1.0 is \$4.99 USD (or equivalent amount in other currencies) and available worldwide through the Mac App Store in the Productivity category. It is also available on Graphic Node's website. The design samples are available on Graphic Node's website.
