

iCarMode - 50% Price Drop for a Limited Time

Published on 05/17/13

iCarMode announces a 50% price reduction on iCarMode 2.7, for a limited time, starting May 1, 2013. The app enables users to use their iPhone safely while driving. iCarMode contains the major features needed to ease and improve the iPhone-Car experience. The app features a big buttoned music player, quick dialup to contacts, easy access GPS apps, parked car finder, parking meter reminder, places nearby helper, and more.

Herzlyia, Israel - iCarMode announces a 50% price reduction on iCarMode 2.7, for a limited time, starting May 1, 2013. The app enables users to use their iPhone safely while driving. iCarMode contains the major features needed to ease and improve the iPhone-Car experience.

Feature Highlights:

- * Big buttoned music player - iCarMode includes Big buttoned music player to safely and comfortably access your music collection
- * Quick dialup to your contacts - iCarMode also includes quick dialup to your favorite contacts, so you don't have to browse them again & again in the address book
- * Easy access to your favorite GPS app - Easy access to your favorite GPS app, including: TomTom, Navigon, Waze, iGo and many more
- * Well designed phone keypad - Well designed phone keypad with access to your iPhone's full addressbook
- * Parked car finder - Forgot where you left your car? iCarMode will help you find your parked car
- * Parking meter reminder - iCarMode will also remind you when your parking meter timer is about to finish
- * Places nearby helper - Your car is parked. what did you have in mind? coffee? the nearest ATM? this feature, powered by Google places, will help you out
- * Shortcut to your favorite app - iCarMode has also room for your favorite app shortcut, now supports: Pandora, Shazam, TuneIn Radio and more
