

Forget About Sliding on the Screen - Enjoy Funny Carnival Mirror

Published on 05/29/13

STOIK Software introduces Carnival Mirror 1.1 for iOS. The app puts an exciting new spin on photos, allowing users to easily add fun carnival effects to any photo. Taking photos to the next level, Carnival Mirror specializes in the absurdly comical transformation of facial expressions in real time, letting users warp photos of faces in any direction and automatically detecting faces. Adding hilarious cartoon effects, ugly noses, exaggerated eyes, and more can be done even without a click.
