

Paper Face on iOS Gives New Meaning To The Phrase Picking Your Nose

Published on 06/03/13

Purple Wax Games Paper Face is proud to introduce Paper Face 1.0 for iOS. As the saying goes 'You can pick your friends, and you can pick your nose, but you can't pick your friend's nose'. Well now Paper Face lets you do just that, along with their eyes, mouth, ears, hair, etc. The possibilities are endless. You can even create a face entirely out of paper features! Save the results to your Photo Album to share later with friends and family. No artistic talent required.

Pembroke Dock, United Kingdom - As the saying goes 'You can pick your friends, and you can pick your nose, but you can't pick your friend's nose'. Well now Paper Face lets you do just that (along with their eyes, mouth, ears, hair, etc.), a new Photo Art app from Purple Wax Games available from the App Store on 30th May 2013.

- * Give your friends and family a makeover
- * Make your pet smile
- * Add funky text to your photos
- * Make pixel art sprite pictures

The possibilities are endless. You can even create a face entirely out of paper features! Save the results to your Photo Album to share later with friends and family. No artistic talent required!

Fun Photos in 3 easy steps:

1. Import your photo or take one with the app
2. Add your choice of pre-made eyes, mouth, text, etc.
3. Save the results to your Photo Album, ready to share later

You can even choose a nose - what else did you think we meant?

Device Requirements:

- * Universal app for iPhone, iPad and iPod touch
- * Requires iOS 4.3 or later
- * 5.4 MB

Pricing and Availability:

Paper Face 1.0 supports English, French, German, Italian and Spanish and is available for \$0.99 (USD or equivalent in other currencies) exclusively through the App Store Worldwide in the Entertainment category. Promo Codes available for review purposes on request.
