

## **CrossOver, Paperless, Gemini and 6 more apps in Productive Macs bundle**

Published on 06/03/13

Apparent Software has launched the next Productive Macs bundle on June 3rd. The Productive Macs bundle is focused on productivity, containing 9 premium productivity applications, and available at an 88% discount from their original price. Many of the included applications are among the best in their class and are widely known throughout the Mac user community, including CrossOver, Paperless, Espionage, Gemini, A Better Finder Rename, ArtText, Chronicle, Dropzone and Cashculator.

Ashdod, Israel - Following a wide success of previous Productive Macs bundles, which proved to be a great value for thousands of Mac users, Apparent Software has launched the next bundle on June 3rd. Unlike most Mac bundles that lack focus, Productive Macs bundle is focused on productivity: it contains 9 premium productivity applications, available just for \$29.99 - at an 88% discount from their original price! Many of the included applications are among the best in their class and are widely known throughout the Mac user community:

- \* Crossover - Easily run Windows applications on your Mac
- \* Paperless - A paper free life, all from your Mac.
- \* ArtText - Where Text becomes an Art
- \* Chronicle - Pay bills? You need Chronicle!
- \* A Better Finder Rename - The Ultimate File Renamer
- \* Espionage - Mac Security Evolved
- \* Gemini - The duplicate finder
- \* Cashculator - The easy way to plan and track your finances
- \* Dropzone - Drag, Drop and Upload files effortlessly

All applications participating in the bundle are full versions without any limitations.

Pricing and Availability:

Productive Macs costs \$29.99 (USD) and will be running from 3rd to 17th of June. Productive Macs has a rewarding friend-referral program that allows users to get the bundle for free. It also has an affiliate program that allows websites or users to earn money for referring people to it.
