Calgary, Canada - Macgamestore.com today announced the release of Youda Marina for the Mac through its web site and digital download service, Mac Games Arcade. The game was created and published by Youda Games. Tropical vibes and the sound of breaking waves! Create the Marina of your dreams. What, you don't dream about marinas? After playing Youda Marina, you will!

Youda Marina is a simulation and time management game all rolled into one. It offers you sun and fun each time you play! Be creative with your exotic harbor and have fun managing it is everyday problems - just the way you want to! You will be the harbor master, responsible for keeping all your marina visitors happy. And happy visitors mean lots of income as they pay their harbor fees and visit your bars and restaurants.

The more income you earn, the more facilities you can build. Make it possible for your visitors to stay longer by letting them stay in your hotels or holiday resorts. You can even and let them enjoy a day in one of your amusement parks, or join amazing tours. You can even start your own diving school or game fishing excursions! Youda Marina brings together all the creativity of landscape design with some great management action!
