

Drunko Drinking Test - Try Your Skills Against This Sobriety Test

Published on 06/17/13

Drunko Drinking Test 1.4 is the latest and fastest growing sobriety test game on the iPhone today. Drunko offers a chance to test users and their friend's skills against the famous sobriety test. Drunko features four tests, including walk the line, alphabet backwards and co-ordinating the finger to the nose. All of these are used to calculate the level of sobriety, all while being yelled at by a police officer. The user can share their score with their friends via Twitter or Facebook.

Brisbane, Australia - Drunko Drinking Test is the newest and fastest growing sobriety test game on the iPhone today. Drunko allows users to play in single or hot seat mode to test their level of sobriety. The game allows the user to start by taking a profile picture before starting to be shared at the end of the game with their score. The user is taken through four tests before being provided a final score if they are 'Sober, Tipsy, Drunk - Arrested'. The user can share their score with their friends via Twitter or Facebook.

What is being said about Drunko Drinking Test:

- * "Fun, hilarious and addictive!"
- * "It's one of the best drunk test games out there, it's fun and great for friends"

The Mini-Games Include:
