

SplatZ For iPhone + iPad App Reaches 1 Million Users and Top 5 Rankings

Published on 06/20/13

Online puzzle game app skyrockets to the top of the Puzzle category worldwide. SplatZ - Tomato Journey 1.2 has reached over 1 million users since its release. With over 20,000 downloads per day, SplatZ has landed a spot in the top 5 games around the world and is in the top 10 in its category in many countries worldwide. Through SplatZ, players move through over 300 amazing levels and over 6 chapters of gameplay where they interact with tomatoes to help solve a variety of puzzles and adventures.

London, United Kingdom - The Sound Pipe Media Ltd has announced that SplatZ - Tomato Journey 1.2, a top online adventure puzzle game, has reached 1 million users since its release. With over 20,000 downloads per day in the past, the SplatZ app has landed a spot in the top 5 games around the world and is in the top 10 in its category in many countries worldwide.

SplatZ is an amazing adventure puzzle game which is easy and very addictive to play. It has over 300 amazing levels that offer a wide range of challenges for all age ranges and skill levels. Through SplatZ you move through over 6 chapters of gameplay where you interact with tomatoes to help solve a variety of puzzles and adventures.

As you transform through the game, there may be times that you get stuck and can't move forward, in which case there is a free hint for the day to help move your past, or you can simply buy extra hints for a small app store charge.

There is an interactive leaderboard integrated into the game so that you can see just how well you stack up against others, and you can use the technology of the Game Center so that you can restore your game on any iOS device.

The Game has been tested on the latest iOS versions with HD Graphics for Retina Display. With the overwhelming user engagement for the game, Sound Pipe Media Ltd is currently working on a follow up game that should be due out in the coming months.
