

eWeather HD One Day Sale - Starts Today

Published on 06/28/13

Elecont LLC today announced that its eWeather HD is available on sale this Friday only. eWeather HD is an award-winning, beautiful and powerful weather app for the iPhone, iPad and iPod touch. eWeather HD provides users with a tremendous amount of weather-related information in gorgeous retina graphics. Using data from the NOAA, eWeather HD displays both radar and satellite images, beach water temperatures, tornado and thunderstorm weather alerts and much more.

Saint-Petersburg, Russian Federation - Elecont LLC today announced that its eWeather HD is available on sale this Friday only. eWeather HD is an award-winning, beautiful and powerful weather app for the iPhone, iPad and iPod touch. eWeather HD is more than a mere weather app: it provides users with a tremendous amount of weather-related information and includes over 130 000 locations world wide. The main functions include:

- * Unique graphics design and user experience
- * World-class weather data from two well-known providers
- * Extended ten-day weather forecast
- * Hourly weather combined with an analog clock
- * High-resolution radar and satellite cloud cover
- * Weather alerts for U.S., Europe and Russia
- * Worldwide weather maps, water temperatures, earthquakes
- * Thousands of 5-star customer reviews from the US, Europe and beyond

Aside from the key features there are also a lot of options for adapting and tailoring the application. This includes making changes to the user interface color scheme, adding weather notifications on lock screen, live temperature on home screen icon and more.

Supported Languages:

eWeather HD is available in US English, Albanian, Arabic, Armenian, Azerbaijani, Bulgarian, Catalan, Croatian, Czech, Danish, Dutch, Finnish, French, Georgian, German, Greek, Hebrew, Hungarian, Italian, Japanese, Kazakh, Korean, Latvian, Lithuanian, Mongolian, Persian, Polish, Portuguese, Russian, Serbian, Simplified Chinese, Slovak, Spanish, Swedish, Thai, Turkish and Ukrainian languages.
