Bonn, Germany - Independent Developer, Martin Pluisch today is thrilled to announce the release of PewDiePie Soundboard v.1.0, his new entertainment app developed for iOS. With a fan-base of more than 10,000,000 people, PewDiePie is one of the top subscribed people on YouTube. While a lot of people know him, there has always been a lack of Apps around "PewDiePie."

This Soundboard is the first on the market and is after one day already in the top 100 of the entertainment section. The app contains more than 110 unique PewDiePie-quotes. Doesn't matter if it's popular ("BARRELS!") or not so popular ("Bad Seal.."), every quote is entertaining. It's a great app for all the PewDiePie fans out there, but also for those, who want to become one.

Version 1.1 will support the iPad (as a Universal-update) and will contain a lot of new quotes. If your favorite Quote didn't make it into the app, simply contact the developer. In version 1.1 your favorite quote could make it in the App! Just use the in-app email button, or simply visit Martin's website or tweet him @martinpluisch.
