

1Password 2.9.19 brings support for Apple's new Safari 4 browser

Published on 06/10/09

Agile Web Solutions today released 1Password 2.9.19. This update to the award-winning password and identity manager brings full compatibility with Apple's new Safari 4 web browser on Mac OS X 10.4 Tiger and 10.5 Leopard. This allows 1Password to securely fill logins, credit card numbers, and other personal information into the latest version of Apple's flagship browser. A highly secure database keeps track of logins, secure notes, identities, credit cards, bank accounts, and more.

Toronto (Ontario, Canada) - Agile Web Solutions has released 1Password 2.9.19. This update to the award-winning password and identity manager brings full compatibility with Apple's new Safari 4 web browser on Mac OS X 10.4 Tiger and 10.5 Leopard. This allows 1Password to securely fill logins, credit card numbers, and other personal information into the latest version of Apple's flagship browser.

What is 1Password?

- * The most popular password manager for Mac OS X and iPhone (according to MacUpdate, VersionTracker and iUseThis ratings)
- * Winner of Best of Show Award at Macworld Expo 2009
- * A Macworld magazine "Mac Gem", rated 4.5 out of 5 and nominated for a Macworld Readers' Choice Award
- * Provides the ability to sync your Mac passwords with your iPhone/iPod touch
- * The only password manager with integrated Anti-Phishing Technology
- * An automatic form filler with support for credit cards and multiple identities
- * A highly secure database to keep track of logins, secure notes, identities, credit cards, bank accounts, and software registration information

What is new in this release?

1Password 2.9.19 brings support for Apple's new Safari 4 web browser. Additionally, it improves the 1PasswordAgent upgrade process, gains better domain matching rules for addresses like k12.sc.us, and drag-and-drop Dock icon support for importing Appshelf files.

System Requirements:

Mac OS X 10.4 Tiger or 10.5 Leopard

Pricing and Availability:

A Single User license for 1Password is available for \$39.95 (USD), and a five-user Family License for \$59.95 (USD). A fully functional 30-day trial version is available from the Agile Web Solutions site. After 30 days, the trial will continue to work but be limited to 20 items. Special media licenses are available for members of the press and the blogging community upon request.
