

Tower Defence shoots out of this world with Nova Defence for iOS

Published on 08/12/13

Vietnamese based Emobi Games today announced the release of Nova Defence for the iPhone, iPad, and iPod touch. Soon to be available on Android as well, Nova Defence is an expansive new tower defence experience set in the chaos of space. Players are tasked with defending a variety of colony planets from the onslaught of menacing aliens, with only their wits and an array of defences at their disposal. The game features an extensive set of levels, enemy types, and game modes as well.

Hanoi, Vietnam - Emobi Games JSC, a mobile game development studio, is excited today to announce the recent launch of Nova Defence onto the App Store. Compatible with the iPhone, iPad, and iPod touch, this tower defence adventure challenges players to protect humanity from wave after wave of invading aliens. Strategic thinking is key to players' success, as is making full use of the high powered arsenal at their disposal. Featuring a diverse array of enemies to repel, dozens of challenging bosses to defeat, and a vast campaign mode, Nova Defence is currently available for download for free on the App Store in the Games category, with an Android version of the game set to be released onto Google Play in the near future too.

The action takes place across a diverse variety of exotic exoplanetary settings ranging from desolate desert landscapes to lush jungle oases in Nova Defence. Players have a choice of three different types of upgradable Mortars and infantry Bunkers to use to defend from encroaching aliens, but they'll need to mix in brainpower with their brawn if they hope to succeed. All together players can mix and match from between thirty unique power abilities, and dozens of upgrades which together give them the power not only to set up custom defence grids on every level, but enhance them in real time during battle exactly as they'd like to as well.

Nova Defence is an expansive mobile gaming experience. A winding campaign provides players with over twenty hours of original gameplay and with a multitude of different game modes available to take advantage of, this game offers near endless replay value. With challenging level set ups, sophisticated graphics, fifty unique alien types to fight, and gameplay that's as responsive as it is fast paced, Nova Defence is primed to entertain both casual gaming fans and hardcore mobile gamers alike wherever and whenever they need to take a break or simply want to have a bit of fun.
