Mumbai, India - Internet Design Zone, a mobile app development company, today is thrilled to announce the release and immediate availability of Angie's Dream - A Dressup Adventure, its brand new dressup game for iPhone, iPad and iPod touch devices. Angie's Dream packs in 20 different dressup themes with an interactive storyline and promises total fun for young girls.

This dressup game tells the story of Angie, about her journey as an aspiring model to an award winning movie actor. She falls in love, gets married, works in movies, wins an award, etc. Girls have to give Angie a makeover for 20 important occasions of her life. There are 20 dressup levels which have to be cleared one by one by dressing her correctly for the occasion. With every dressup theme, the interactive storyline runs alongside. A background voice-over reads the story and characters speak aloud on tapping. It all adds to the fun.

Girls will know how Angie became a supermodel, dated a famous actor, married him and also became a successful movie actor herself. For every occasion, one has to dress up Angie including her wedding, movie premiere, red carpet appearance, honeymoon, awards ceremony, picnic, gym, costume party, movie roles, etc. In this dressup game, clear each of the 20 levels by correctly dressing up Angie for the occasion:

- \* Lots of options available for dressup: One can change Angie's hairstyles, clothes, accessories, jewelry, bags, shoes, hats, dresses, etc.
- \* 20 storybook scenes with 20 dressup game levels
