Mumbai, India - Internet Design Zone, an app development company, today is proud to announce the release of Flying Fakir vs Demons 1.0, its free and new game title for iPad, iPhone or iPod touch. The simple but fun game makes it entertaining for kids. The aim is to help the Fakir on his magic flying carpet to kill as many demons as possible without losing his life.

According to mythology, in ancient times, fakirs had magical powers - they could even fly on carpets. In this game, the ultra cool fakir wears dark sunglasses and flies on his magic carpet. One must kill demons with the firing button and maneuver the Fakir up-down-left-right on the flying carpet. Kill the demons, avoid getting hit by the missiles or the demons and score maximum points before the Fakir's life runs out. Every time a missile hits the Fakir, his life gets reduced. There are magical powers on the way which help increase the Fakir's lifespan. Kids will like the cool characters, sounds and music.
