Paris, France - Coladia today announces a Mega Sale on their adventure games sold on the MacAppStore. For a limited time, all games will be sold at USD \$0.99 instead of USD \$7.99/\$9.99. The deal exclusively applies to games sold exclusively on the Mac App Store.

Cleopatra: a Queen's Destiny:

Alexandria in Egypt 48BC. The country is divided by civil war pitting Cleopatra's supporters against those of her brother and husband, Ptolemy, who is ravaging the country. In this climate of terror, Thomas, a young apprentice to Akkod, Cleopatra's astrologist and astronomer, falls in love with his master's daughter. One day, in horror, he discovers that both master and daughter have been kidnapped.

Destination: Treasure Island:

Four years have passed since the end of the adventure recounted in Robert Louis Stevenson's novel. Jim Hawkins has become an upstanding adventurous young man, attentive to those around him. Imagine his surprise when, one morning, he sees a parrot enter his bedroom window: none other than Captain Flint, Long John's own companion. The bird brings him a message from his master.

Secret of the Lost Cavern:

In 15,000 B.C., strange symbols found while hunting remind Arok of an encounter with a charismatic traveler a long time ago. In order for him to find his long-forgotten friend, the most brilliant painter of Prehistoric times, Arok begins a long and perilous journey.

The Secrets of Da Vinci:

Valdo, an ambitious young apprentice working for Leonardo Da Vinci's disciple, Francesco, is least happy when the scholar suddenly dismisses him. However, shortly afterwards, he receives a letter from a mysterious patron, asking him to locate one of the great master's missing codices.

The Fall Trilogy:

The Fall Trilogy is a mouse-driven series of adventure and puzzle games that bring gamers in different times and places to help the hero to recover his memory and find who he really is.
