

Packing Pro 9.1 Update Adds Support for iOS 7 and AirPrint

Published on 09/25/13

QuinnScape's Packing Pro, the popular travel app for the iPhone, iPad & iPod touch, has just been updated to version 9.1. This update adds full support for Apple's new iOS 7, including both design & function modifications, as well as a new AirPrint feature that allows for wireless printing. Other improvements include better email & print formatting, like allowing from 1-3 list columns, more useful Smart Search, and three additional languages: Russian, Portuguese and Polish.

Taipei, Taiwan - QuinnScape's Packing Pro, the popular travel app for the iPhone, iPad & iPod touch, has just been updated to version 9.1. This update adds full support for Apple's new iOS 7, including both design & function modifications, as well as a new AirPrint feature that allows for wireless printing. Other improvements include better email & print formatting, like allowing from 1-3 list columns, more useful Smart Search, and three additional languages: Russian, Portuguese and Polish.

Since its launch over 4 years ago, Packing Pro has been highlighted on Apple's App Store several times. Currently, it can be found in the "Essentials" promotion. It has also ranked at #1 for iPads and #2 for iPhones in the U.S. App Store's Travel section. Besides Apple, Packing Pro has also been recognized by CNN, WSJ, BBC, and Budget Travel, and has earned glowing reviews on major tech and app blogs (Gizmodo, Mashable, Macworld, CNET, TUAW and iPhone Life, among others).

Packing Pro is a mobile packing app that features unlimited, 100% customizable packing lists, an extensive, yet flexible, catalog and handy sample lists that can be used as templates. A host of special functions include:

- * Multi-item selection from catalog for speedy list building
- * Multi-item editing for easy list & catalog management
- * Collapsible categories with floating headers & running item tallies
- * List sorting & filtering by bag and/or person
- * Item, weight and value totals & subtotals
- * Email export for file sharing
- * Wireless printing
- * Fully customized device support for all sizes of iPhone, iPod touch & iPad
- * Full multi-lingual support for English, Spanish, French, German, Italian, Portuguese, Russian, Polish, Japanese & Chinese

Besides the core features listed above (which are also present in the basic Packing (+TO DO!) app), Packing Pro also gives its users the following Pro-level features:

- * iCloud auto-syncing support
- * Expert packing list wizard that can "automajically" create a list
- * iTunes & email file sharing and out-of-app editing support
- * Customized design (themes, layout, fonts, colors, textures)
- * Double-sized Master Catalog with over 800 items and to-do tasks
- * Twice as many sample lists
- * Smart Search

Packing Pro 9.1 now fully supports Apple's latest iOS 7. It has come a long way from its origins over four years ago on iPhone OS 2.1! Come try it out today!
