

## **New Promotion Offers 15% Off Entire FontLab Product Range**

Published on 10/02/13

ThePowerXChange and XChange UK, the sources for extended technology worldwide are excited to announce a new, limited time promotion that offers users 15% off the entire FontLab product range. Fontlab Ltd. occupies a leading role worldwide in computer typography tools with more typography products on more platforms in more languages than any other company. The FontLab product range promotion is available now through XChange UK and ThePowerXChange worldwide.

Carson City, NV and London, UK - ThePowerXChange and XChange UK, the sources for extended technology worldwide are excited to announce a new, limited time promotion that offers users 15% off the entire FontLab product range. Fontlab Ltd. occupies a leading role worldwide in computer typography tools with more typography products on more platforms in more languages than any other company.

Products include:

FontLab Studio 5 - Comprehensive solution for designing, creating, manipulating and modifying fonts

Fontographer 5- Create, customize, add extra characters, fine-tune, fix and convert fonts

TypeTool 3 - Basic font editor for creating or customizing fonts

BitFonter 3 - Professional bitmap font editor

TransType Pro 4 - Convert fonts between Mac and Windows, and between all major font formats

ScanFont 5 - Turn graphics into fonts

FONmaker - Powerful bitmap font creator for Windows

FogLamp 2 - Convert old Fontographer .fog project files into FontLab-compatible .vfb files

DTL OTMaster 2 - Examine and fix OpenType fonts

SigMaker 3 - Turn any photo, image, logo or signature into a font and use just one file in every application on every platform

AsiaFont Studio - The premier two-byte font editor

The FontLab product range promotion is available now through XChange UK and ThePowerXChange worldwide. Academic licenses are excluded. To order, or for more information, users can visit the websites.
