

97% Discount on 1000 OpenType Fonts in Mac App Store

Published on 10/09/13

128bit Technologies is running a \$3 sale on their 1000 OpenType Fonts in the Mac App Store. The font collection is perfect for fontaholics and designers looking to expand their collection of type styles. All fonts are in OpenType font format, include a commercial use license to use in any personal and business project. The font collection includes 238 unique font family styles, with 998 total fonts. For a limited time users can download 1000 OpenType Fonts at a savings of 97%.

San Francisco, California - 128bit Technologies today is thrilled to announce its 1000 OpenType Fonts collection is only \$3 for a limited time on the Mac App Store. The fonts included in 1000 OpenType Fonts are completely different from the Premium Fonts collection, and is now available at a discount of 97% (normal price is \$99.99).

Get creative with a new collection of 1000 OpenType fonts for commercial use. The font collection includes 238 unique font family styles, with 998 total fonts. An excellent addition to any font collector's library for use in graphic and logo design, web design, scrapbooks, presentations, invitations, promotional material, advertisements, and more. Each font is in OpenType font format and can be used for any personal and business project on both Mac and PC computers. International character support is standard for nearly every font (bar code fonts and wingding fonts do not include international character support). You can even use these as web fonts for yourself or for clients, and include them in application development.

1000 OpenType Fonts includes:

- * 998 royalty free, commercial use fonts
- * 238 unique font families
- * All fonts in OpenType font format to use on both Mac and Windows
- * Commercial use license
- * Cross-platform compatible
- * Install and use in all applications that support fonts
- * Perfect for presentations, logos, business cards, websites, advertisements, brochures, holidays, weddings, application development and more
- * BONUS: Includes a custom font preview app to see how the fonts look when applied to text, before you save and install them

System Requirements:

- * Requires Mac OS X 10.6 or later (Intel)
- * 23.9 MB
