

## **Alien Shooter Ex - Mobile 3D Action Game Hit Now Free**

Published on 10/10/13

Alien Shooter Ex, a runaway hit from much loved PC and mobile action game developer RNTS Media, is now available as a free download in the Google Play store and the iTunes App Store. This fast-paced, action-packed 3D shooter begins with a resurgence of alien invaders. Players will explore an expansive, open 3D world, solving puzzles to complete mission objectives, mowing down monstrous alien life forms, and scavenging new gear, booster items, coins, and experience from their kills.

Seoul, Korea - Alien Shooter Ex, a runaway hit from much loved PC and mobile action game developer RNTS Media, is now available as a free download in the Google Play store and the iTunes App Store.

Alien Shooter Ex launched recently at \$1.99, and the much anticipated mobile game has lived up to, and exceeded, fans' expectations. "The updated graphics are incredible," one reviewer raves. "Alien Shooter Ex takes the Alien Shooter franchise to a whole new level, especially for mobile gamers." The generous, limited-time offer making the full-featured download of Alien Shooter Ex free is likely to tempt many more action fans to try out the game as well.

The virtual dual-joystick control system is a triumph of elegance and efficiency, so intuitive most players will have mastered the movement and point-and-shoot mechanics in moments.

RNTS Media aims for immersion, to allow players to be swept up in the adrenaline soaked adventure of an alien invasion run amuck. Alien Shooter is non-stop action, enhanced with RNTS Media's signature attention to detail. The game even features social multi-player modes so that friends can help one another complete missions.

RNTS Media's expansion into the mobile gaming arena has already been noteworthy, and making their newest, hottest title free for a limited time can only improve their standing with gamers. Alien Shooter Ex holds its own easily against other action shooters above its usual \$1.99 price range; therefore this free promotion is limited to only one week.
