Vilnius, Lithuania - iPresentee, the developer of add-ons for Apple's iWork and iLife applications, releases Keynote Themes 5.0 and free Keynote theme to be used with Apple's Keynote presentation software. Keynote Themes 5.0 includes ten brand new terrific themes: Azure, Greenery, Blue Wave, Frozen Nature, Greenish, Ochre, Gradient Green, Orange Tree, Tones of Gray and Wood Planks. Furthermore iPresentee offers to try free Keynote themes: Tones of Gray, Chocolate, Autumn Colors, Red Cloud and Movie. The new release extends iPresentee's Keynote themes collection up to eighty seven themes.

New Keynote Themes collection offers a variety of presentation styles with coordinated fonts, colors, great backgrounds, unique bullets and picture frames. iPresentee Keynote Themes collection enables Keynote users to choose the perfect theme design for any topic of presentation. Each Keynote Theme is available in standard or HD formats. New Keynote Themes has from seventeen to twenty one different master slide layouts.

Creating a presentation using new Keynote themes is exactly the same as creating a presentation using the usual themes - user can add, edit, and format text; add photos or movies; use Keynote's transitions and special effects. Keynote Themes 5.0 includes an installer to make sure the themes end up in the right place and will be displayed in Keynote's themes menu automatically. Furthermore iPresentee offers to download Keynote Objects, Keynote Alphabet, Keynote Countdown Timer and five Keynote themes free of charge.

Minimum Requirements:

- * Mac OS X 10.4.3 Tiger and later
- * iWork 08 or iWork 09
- * 200 MB Hard Drive space

Pricing and Availability:

Keynote Themes 5.0 may be purchased for \$25 (USD). Free Keynote add-ons are offered free of charge and can be downloaded from iPresentee's website.
