Portland, OR - TimeStream Software announces a 4 out of 5 Mice rating from Macworld for its popular "Walt Disney World Secrets" Notescast App for the iPhone and iPod touch. Rated in the Top 25 of the paid Travel Apps on the App Store, this popular Notescast was lauded as... "This Secrets Notescast is chock full of advice on where, when and how to experience the many hidden treasures scattered across the parks." "No matter where your location in the vast Disney realm you can discover a nearby surprise with just a couple touches. This proved very useful in passing the time whenever we were waiting in line for our next magical ride."

Filled with over 180 fun, magical and surprising secrets of Walt Disney World(R) Resort, the new Walt Disney World Secrets Notescast App works as an innovative new guidebook allowing Guests to tour all of Walt Disney World Resort with their iPhone or iPod touch in hand as they discover one new secret after another in Magic Kingdom(R), Epcot(R), Disney's Animal Kingdom(R) and Disney's Hollywood Studios(TM).

In addition, this in-depth Notescast adds to a Disney vacation with the added bonuses of a Hidden Mickeys tour of over 80 Hidden Mickeys, as well as over 200 Fun Facts about this favorite Orlando vacation destination.

"To our knowledge, this is the first Walt Disney World app reviewed and rated by Macworld, so we're very pleased." said Mike Westby of TimeStream Software. "It's a notable reflection on the quality of content within the app, as well as the hard work put into its development."
