Austin, TX - Intego, the Macintosh security specialist, is running a special sale with rock-bottom prices on multi-seat licenses for all of its single Mac security programs. Through June 30, 2009, and only from the Intego web site, 5- and 10-seat licenses for all of Intego's single Mac security programs (this discount does not apply to Internet Security Barrier suites) are on sale at the incredible savings of 50% off! With this special offer, get 5 copies of any of Intego's software for your entire family for the price of two licenses or less!

During this promotion, Mac users can purchase multi-seat licenses for the following Intego programs at half-price:

- * VirusBarrier X5: Protects Macs from all known viruses
- * NetBarrier X5: Protects your Mac from Internet attacks
- * Personal Antispam X5: Keeps your inbox spam-free
- * Personal Backup X5: Meets all your backup needs
- * FileGuard X5: Safeguards your confidential files
- * ContentBarrier X5: Makes the Internet a safe place for your kids

These special prices are only available from the Intego web site through June 30, 2009. These prices apply to full versions of Intego software, not to upgrades or Dual Protection software. This offer is not available from retail stores, or any vendors other than Intego. No refunds, no exchanges. This offer cannot be combined with any other special offer. Limited to one license of each program per purchaser, for individual users only. This offer may be cancelled at any time without notice.
