

Drink Advisor Launches on the App Store and Google Play

Published on 11/07/13

Rilon today introduces Drink Advisor 1.2, its new lifestyle app for smartphones and tablets on the App Store and Google Play. Designed for local city residents and travellers alike, Drink Advisor is the world's largest database of over 3000 of the best bars and clubs, reviewed and rated by users in more than 120 cities including London, Paris, New York, Cape Town and Moscow. The app leverages the user's location to provide detailed listings of the best and brightest nightspots nearby.

London, United Kingdom - Independent developer Rilon today is proud to announce that Drink Advisor is now available for smartphones and tablets on the App Store and Google Play. Drink Advisor is the world's largest database of over 3000 of the best bars and clubs, reviewed and rated by users in more than 120 cities including London, Paris, New York, Cape Town and Moscow.

Drink Advisor is designed for local city residents and travellers alike, and uses the user's location to provide detailed listings of the best and brightest nightspots nearby. For those who want to party at home, Drink Advisor also includes a comprehensive database of drink and cocktail recipes.

Created as the ultimate resource for anyone looking for a great new place to go at night, Drink Advisor is constantly updated with new venues and locations. Users can rate and review each venue as well as check in and upload their own photos. In addition to user reviews and ratings, each venue listing contains comprehensive contact information as well as access to a live map and directions. Built with social integration at its heart, Drink Advisor lets users link to multiple social networks (Facebook, Twitter and Google+) to share their tips as well as invite their friends out for drinks at certain nightspots.

Features:

- * The world's most comprehensive bar and club guide - over 3000 bars and clubs reviewed and rated in 120 cities including Los Angeles, Cape Town, LA, Sydney, Miami, Tokyo and more
- * Browse real user reviews, add your own opinions, photos and ratings and even invite your friends along
- * Easily view the nearest bars and clubs on a map and get directions
- * Find your nearest nightspot or search a location or district instead. Results are displayed by location, rating or name
- * New bars and clubs added all the time
- * Huge catalogue of cocktail and drink recipes for the perfect night in!
- * Twitter and Facebook integration so you can share hotspots with friends
- * Save your favourite places and invite friends to a bar

For those who want to party at home or simply wow their friends with their mixology skills, Drink Advisor also contains a wealth of drink and cocktail information and recipes. Users can even discover recipes by selecting a 'base' drink for their cocktail such as Vodka, whisky gin, rum and brandy.

Device Requirements:

- * iPhone, iPad, and iPod touch
- * Requires iOS 6.1 or later
- * 11.8 MB
