

Teddy bear fashion with Minti Kids Dress Up Luca game

Published on 11/16/13

Istanbul based educational kids game studio Minti Kids, has announced a brand new game 'Minti Kids Dress Up Luca' for iPhone, iPad and iPod devices running on iOS 5.1 or later. The main aim of the game is to improve creativity of kids via asking them to help a lovely teddy bear called Luca to dress up. This game is a fun dress up game where kids help cute Luca to choose from various clothes and accessories and create their own unique fashion.

Istanbul, Turkey - Minti Kids, an interactive educational kids-only mobile game developer, has announced the successful launch of 'Minti Kids Dress Up Luca', the company's newest kids game. Compatible with all iPhone, iPad, and iPod touch devices running on iOS 5.1 or later this fun dress up game challenges young players to choose from various clothes and accessories, create their own unique fashion and make Luca be happy. The game comes with dozens of clothes and accessories featuring kid-friendly illustrations by accomplished artists, cute and friendly animations and much more! 'Minti Kids Dress Up Luca' is currently available for download on the App Store for a price of 0.99 USD in the Kids category.

Built to entertain kids while improving their creativity 'Minti Kids Dress Up Luca' also promotes kids being giving and generous via helping Luca. Throughout the game, kids can also take pictures of their unique designs and show them to their parents and friends. By this way, the game also supports improving their self-esteem.

'Minti Kids Dress Up Luca' is a premium dress up gaming experience. The game is focused on developing kids' creativity while making them have fun. Therefore, there is neither third-party advertising nor in-app purchases inside the game. Developed to make kids be more creative, 'Minti Kids Dress Up Luca' is the perfect way for parents to play together with their kids and help them improve their skills while share the joy.
