

Food Experts Beware: New Foods Pop App is Addictive

Published on 11/17/13

Virginia based ICON, LLC today Foods Pop Pro 1.0, their new game title for iPhone, iPad and iPod touch devices. Extremely interesting and fun, Foods Pop challenges players to solve over 200 food puzzles. It's guaranteed to keep you entertained for hours. Each level presents a close up of a famous foods brand so it is harder to recognize for added challenge. Start naming your way through hundreds of food puzzles in four packs: Candy, Food, Drink and Fruit. Can you name them all?

McLean, Virginia - From the creators of #1 app "Guess That Thingy," ICON, LLC today is proud to announce the release of Foods Pop Pro 1.0, their new game title for iPhone, iPad and iPod touch devices. Foods Pop Pro challenges players to solve over 200 food puzzles that are extremely interesting and fun. It's guaranteed to keep you entertained for hours. Start naming your way through hundreds of food puzzles in four packs: Candy, Food, Drinks and Fruits. Can you name them all?

The idea behind Foods Pop is creative. Each level presents a close up of a famous foods brand so it is harder to recognize for added challenge. The game also includes global leaderboard with Apple Game Center that adds competitive edge. Feeling stuck? Use lifelines to reveal letters or solve completely.

Climb yourself up the global leaderboard of Foods Pop on Game Center. Foods Pop is a universal app designed for iPhone, iPod touch and plays in HD on the iPad. Foods Pop is optimized for and looks awesome on the new iPhone 5s.
