

## Melesta Games launches puzzle game Freeze U for iOS

Published on 12/27/13

Melesta Games has launched Freeze U, a new matching puzzle game for iOS devices. This colorful, dynamic game is set deep in the Earth, where cute elemental creatures are in danger of freezing unless players can line them up in rows to provide life-saving warmth! The game supports a duel mode, which allows iOS gamers to compete with other people who are playing the same game. Freeze U is available for download now from the Apple App Store.

Seattle, Washington - Melesta Games today is proud to announce the launch of Freeze U. The company's new matching puzzle game for iOS devices is set deep in the Earth, where cute elemental creatures are in danger of freezing unless players can line them up in rows to provide life-saving warmth!

In this exciting matching puzzle game, players engage in a dynamic, colorful, and hilarious puzzle-solving journey where the goal is to match like-colored creatures in order to save them.

Sounds easy enough? The game also supports duel mode, which lets iOS users compete against each other for the high score and heat the dungeons together! Freeze U encourages players to take time before each move to avoid critical mistakes and earn the maximum score possible.

Freeze U from Melesta Games is an amusing and exciting adventure for puzzle game fans. The game is available now for download from the Apple App Store.
