

The Binary Mill release Amoebaz! for iPhone and iPod Touch

Published on 07/09/09

The Binary Mill today are proud to announce the immediate world-wide release of Amoebaz! 1.0 their latest iPhone 3D adventure game. Direct the Amoebaz! on their journey to find their gene pools. But be careful, these little Amoebaz! like to bounce and aren't afraid to push each other around. Take too long directing them and they'll never get the chance to contribute to the universal gene pool. Realtime physics make the Amoebaz! fun and unpredictable.
