

Get Your House In Order Easy with Personal Financial Analyzer

Published on 01/21/14

GoltApps introduces Light Budget: Personal Financial Analyzer 1.0 for iOS. Personal Financial Analyzer a simple and easy to use personal budgeting application to assist you with tracking expenses, payment types, items types and more. It provides a total and a breakdown of expenditure in these categories as a proportion of the total spend. The app can show whether a household is living within its means or not, allowing for the planning of future reductions in expenditure.

Marseille, France - GoltApps is proud to announce the release of Light Budget: Personal Financial Analyzer 1.0 for iOS. Light Budget provides a total and a breakdown of expenditure in these categories as a proportion of the total spend. It can show whether a household is living within its means or not, allowing for the planning of future reductions in expenditure. Personal Financial Analyzer a simple and easy to use Personal Budgeting Application to assist you with tracking expenses, payment types, items types and more!
