

## **Melesta Games launches Free version of Toy Defense 3: Fantasy for iOS**

Published on 01/23/14

Melesta Games has launched Free iOS version of Toy Defense 3: Fantasy. This newest instalment in the hit tower defense series Toy Defense, which has 15 million fans all over the world, is available on the App Store absolutely for FREE. Toy Defense 3: Fantasy introduces a new world filled with magic where gamers create powerful armies of wizards and warriors to defend the kingdom against terrifying goblins, dragons and more!

Seattle, Washington - Melesta Games has launched Free iOS version of Toy Defense 3: Fantasy. The newest sequel in the hit tower defense series, Toy Defense, which has 15 million fans all over the world, is available on the App Store absolutely for FREE. Toy Defense 3 is a fantasy-themed tower defense game that combines the fun of toy soldiers with the thrill of magical battles between medieval knights and fairytale monsters.

Taking on the role of a powerful general, players must summon the bravest warriors and wizards in the kingdom to defend their lands from more than nine types of fantastical enemies, including goblins, dragons, and trolls.

Toy Defense 3: Fantasy Free invites tower defense fans to train their soldiers to perfection, build defensive fortresses, and develop the best strategies to defeat the armies of their foes.
