

All Aboard! Lola's Math Train 2 is Now Available for iOS and Android

Published on 02/06/14

Chug along with Lola Panda as she embarks on an all new mathematical adventure with Lola's Math Train 2, the sequel to the award winning Lola's Math Train app designed to teach slightly older students their basic math skills. An adventure packed locomotive journey through addition and subtraction, Lola's Math Train 2 now features a unique tracking system that allows parents to follow along as their child plays. Designed for children ages five to eight years old.

Tampere, Finland - The developers who brought you Lola's Math Train, announce the release of their newest app, Lola's Math Train 2 now available for \$1.99 on the iTunes App Store and Google Play. An adventure packed locomotive journey through addition and subtraction, Lola's Math Train 2 now features a unique tracking system that allows parents to follow along as their child plays.

Designed for children ages 5-8, Lola's Math Train 2 features new interactive characters, three advancing levels, and gameplay in multiple languages (Spanish, French, and German etc.), that will have players entertained and challenged at the same time. Players are invited to join in the fun by helping Lola Panda(TM) solve simple math problems. The more equations solved, the faster Lola Panda(TM) and her friends get on the train reach their final destination!

"We had lots of parents emailing us after the success of the first Lola's Math Train app after it hit the #1 education game spot in 23 countries. They made it very clear that the app was helping their children learn math, but many expressed interest in an app that took those skills even further for a slightly older crowd. Lola's Math Train 2 is that app," explains Mika Heikinheimo, CEO of BeiZ.

With the new addition of the progress tracker in Lola's Math Train 2, parents are able to view their child's scores, length of time played, and overall improvement. Lola's Math Train 2 provides endless entertainment, while encouraging children to learn, making it an app the whole family can get on board with!

Additional Features of Lola's Math Train 2 include:

- * 19 exciting mathematical games with Lola Panda(TM) including addition, subtraction, and simple puzzle solving
- * Three skill levels to choose from with advancing difficulty as player's skills improve
- * Full color graphics and music
- * Lola Panda(TM) Progress Tracker provides parental updates on a child's abilities

Device Requirements:

- * iPhone, iPad, and iPod touch
- * Requires iOS 4.3 or later
- * 38.9 MB

Pricing and Availability:

Lola Panda's Math Train 2 (v1.0.1) is \$1.99 USD (or equivalent amount in other currencies) and available worldwide through the App Store in the Games category. It is also available for Android devices on Google Play.
