Atlantic Beach, Florida - Tropical Software, Inc. today announced a major expansion of their Recipe Samples is underway. TopXNotes is an award-winning full-featured personal note manager. Tropical Software innovated a Recipe section in TopXNotes when lead developer Lewis Garret organized his favorite "top 10" award winning chili recipes from the famous Chili Appreciation Society International (CASI). These are the folks that sponsor chili cook offs all over and the famous get together of the best chili cooks in Terlingua every year. So your recipes will be in great company in TopXNotes. TopXNotes:

Get Organized With TopXNotes! TopXNotes is great for holiday gift lists, party and menu planning, recipes, travel notes and directions, and organizing all the little bits of information cluttering your desktop. With TopXNotes touch you can take your notes with you on the move.

You don't need a note or task manager that takes more time to learn than use. You need a simple, easy to learn, easy to use personal note, task manager and password protector, like TopXNotes. TopXNotes is a full-featured personal note manager. Create, view and multiview, organize, and instantly access your Mac notes from your desktop with TopXNotes "QuickNotes" feature. And you can use safe, secure WiFi sync in your own home private network to sync to up to 15 iOS devices with TopXNotes for Mac.

You can also use our unique dual-level encryption to protect sensitive information on TopXNotes for Mac.

TopXNotes has been awarded 4 out of 5 mice by Macworld magazine in their "Summer of Mac Gems" series of reviews and 9 of 10 by Macsimum News (now part of MacTech), Macworld UK and Macworld Australia. TopXNotes was favored by the Macworld reviewer for its "clean, single window interface that puts controls for highlighting and marking up your text right at your fingertips," as well as its exclusive QuickNotes feature for instant note access, NoteOrganizer and note synchronization (NoteSync) with Apple touch devices including iPhone, iPod touch and iPad. NoteSync will sync between one Mac running TopNotes and TopXNotes touch on iPad, iPhone or iPod touch. Now you can take your notes with you no matter which Apple touch device you are using!

2Remember:

2Remember is a beautiful, easy to learn, and easy to use reminder app. Semi-transparent tab takes up a tiny space on your screen but has numerous options for reminders including flashing icon on dock, flashing tab red, alert and sound.

Hides just off-screen as soon as any app opens, but un-hides when mouse moved over tab. Lots of entry shortcuts, like "today", "tomorrow", "Wednesday" where it just does the right thing!
