

JSplash Updates Their Famous Love Quotes App Ahead of Valentine's Day

Published on 02/12/14

JSplash Apps updates their Famous Love Quotes app for iOS ahead of Valentine's day. The app bundles a collection of love quotes by famous people around the world. The app includes a bookmark feature that lets you mark your favourite quotes and refer them later. The app also includes the ability to share your favourite quotes via email, message and social media sites such as Facebook and Twitter. It is available on the App Store as ad-supported free and ad-free paid versions.

Bangalore, India - As this year's Valentine's day approaches, JSplash has brought out a new version of their app which is special for this day. Famous Love Quotes app for iPhone, iPod touch and iPad gets a revamped, beautiful user interface in the latest update. The app brings a collection of beautiful love quotes by famous personalities. The app includes a bookmark feature that lets you mark your favourite quotes and refer them later.

In this age of handheld devices, smartphone apps can play a part in finding love, celebrating love and sharing things love-connected. Love quotes indeed form a major part in this whole experience and that's where Famous Love Quotes by JSplash fits in.

The app also includes the ability to share your favourite quotes via email, message and social media sites such as Facebook and Twitter.

What's New in Version 2.0

- * Added iPad support
- * Added support for iPhone 5 (4-inch screen support)
- * Completely revamped user interface

Device Requirements:

- * Requires iOS 7.0 or later.
- * Compatible with iPhone, iPad, and iPod touch.
- * This app is optimized for iPhone 5.

Pricing and Availability:

The app comes in two flavours - a free version supported by advertisements and a paid ad-free version at a price of \$1.99. The free version contains all the features of the paid version except that it includes advertisements.
