

## **Study Habits - 50% off popular student organizer through President's Day**

Published on 02/12/14

California based indie developer, Reginald Laigo announces a 50% sale off the popular student organizer app during President's Day weekend to celebrate the release of Study Habits 1.0.2 for iOS. Study Habits has been featured in the Long Beach Press Telegram, CBS2 and KCAL9 news, and is more than your typical organizer or to-do list. Created by a Doctor of Education, Study Habits is the first app to teach motivation and learning strategies to help students develop effective study habits.

Long Beach, California - Indie developer, Reginald Laigo today is proud to announce the release of Study Habits 1.0.2 for iOS and will celebrate by reducing the price to \$0.99 today through President's Day weekend. Created by a Doctor of Education (Ed.D.), Study Habits is more than your typical calendar, planner, organizer, or to-do list - it is the first app to integrate motivation and learning strategies to help students improve their memory, manage their time, and much more.

A finalist for the Best App Ever Awards (high school and college student app categories), featured in the Long Beach Press Telegram, CBS2 and KCAL9 news, and currently the subject of a scientific study at the University of Southern California, Study Habits is a comprehensive tool for high school and college students. A recent user remarked, "The Study Habits app is a must for any student who wants to succeed!"

Below are a few of Study Habits' features:

- \* Choose from over 30 strategies based from education psychology to develop effective study habits
- \* Habits addressed include boosting memory, increasing motivation, time management, and much more
- \* Use different strategies to earn achievements and unlock levels
- \* Calculate weighted or non-weighted assignments, and calculate semester GPA
- \* Syncs information from iCal and other calendars
- \* Calendar events and assignments are displayed through a clean, crisp design
- \* Set reminder notifications for your classes, assignments, and exams

Device Requirements:

- \* iPhone, iPad, and iPod touch
- \* Requires iOS 7.0 or later
- \* 6.8 MB

Pricing and Availability:

Study Habits 1.0.2 is \$0.99 until February 21, 2014 and available worldwide exclusively through the App Store in the Productivity category.
