

Allsorts Video Poker - Become A Top Video Poker Player

Published on 02/14/14

Netviking has released Allsorts Video Poker v1.0, a "casino like" Video Poker Simulator for all iOS devices. If you like video poker you'll like this game! Video Poker is a casino card game based on the Five-card draw poker first appearing in the mid-70s and has been popular among casinos throughout the world ever since. Enjoy hours of high-rolling fun with your favourite Video Poker variations, including Jacks or Better, Bonus Poker, All American and more.

Lund, Sweden - Netviking has released Allsorts Video Poker v1.0, a "casino like" Video Poker Simulator for all iOS devices. If you like video poker you'll like this game!

Video Poker is a casino card game based on the Five-card draw poker, first appearing in the mid-70s, and has been popular among casinos throughout the world ever since. This game is a simulation of a video poker machine, like those featured in casinos. Enjoy hours of high-rolling fun with your favourite Video Poker variations, including Jacks or Better, Bonus Poker, All American and more.

A cross between a slot machine and a poker game, Allsorts Video Poker offers an appealing mix of skill, luck, high payouts and a low house edge. Created specifically to delight hardcore and casual poker fans alike, Allsorts Video Poker is an interesting game with unique features. It's like having a casino in your pocket!

Sharpen your skills with this game before your next trip to Vegas or Monaco!

Features:

- * Realistic casino grade shuffle engine
- * Authentic video poker gambling experience
- * High quality graphics with big cards.
- * Realistic Sound Effects
- * Fast game speed
- * Choose between different table themes.
- * The game works on all iOS devices

Try this Video Poker experience today! It's Free!
