

## **Kilubu : Magic Potions - New Game for Kids Released on the iPad**

Published on 02/21/14

Kiupe introduces Kilubu : Magic Potions for iPad and iPhone. Kilubu : Magic Potions is a game for kids in which they create magic potions in a rich and vibrant world. Kids get to choose their ingredients. They then prepare them and boil them up in their own magical cauldron. Finally they watch the results by giving them to Sacha. The app has several features and comes in five languages. There's also an area just for parents.

Lyon, France - Kiupe is pleased to announce the release of Kilubu : Magic Potions 1.0.1, a game for kids to create magic potions and test it on Sacha, a curious and daring character. More than 60 potions (Kitty concoction, Giggle Brew, Giant Ear Tonic and more) can be discovered in a rich, animated and vibrant world.

First kids get to choose their ingredients like tears of a shark or elephant warts. Then kids prepare them by cooking or grilling and then boil them up in their own magical cauldron. And finally they give their newly prepared potions to Sacha to watch the results of the funny potions.

### Features :

- \* 60 potions to create
- \* 9 magical ingredients to use and discover (elephant warts, shark tears, frog's brain and more)
- \* 3 types of processors (still, grill, blender)
- \* A spellbook to review the effects of potions you have created
- \* A rich and vibrant world
- \* A secure environment for children : no ads or in-apps purchases
- \* An area just for parents

### Language support:

- \* French, English, Norwegian, Portuguese, Spanish

### Device requirements:

- \* Requires iPad or iPhone
- \* iOS 4.3 or later
- \* 45.6 MB

### Pricing and Availability:

Kilubu : Magic Potions 1.0.1 is \$2.99 USD (or equivalent amount in other currencies) and available worldwide exclusively through the App Store in the Education and Kids categories. Kilubu : Magic Potions is already #1 in the Education Category of the Brazilian App Store.
