

## Walt Disney World Notescast for iPhone App Updated with New Content

Published on 07/17/09

The powerful new Walt Disney World Guide Notescast iPhone App is updated with new content, categories and more. At over 200 pages, including over 150 photos, guests can now have all of Walt Disney World Resort in the palm of their hand wherever they go and whenever they want. This comprehensive vacation planner and in-park guide covers nearly every aspect of the entire resort and all four theme parks.

Portland, OR - TimeStream Software, the leading Notescast developer for the iPhone and iPod, announces an update to its popular "Walt Disney World Guide" Notescast for the iPhone and iPod touch.

"This exciting Notescast continues to get even better." said Mike Westby of TimeStream Software. "Once again, we've updated it with the latest information, new categories, attraction updates, ticket pricing, vacation packages, additional content and more."

With over 200 pages of information, over 150 photos, and rich in-depth content, the updated Walt Disney World Notescast is the only Disney app rated 4 out of 5 mice by Macworld and is a comprehensive vacation planner and in-park guide covering nearly every aspect of the entire resort and all four theme parks, including the Magic Kingdom(R), Epcot(R), Disney's Animal Kingdom(R), Disney's Hollywood Studios(TM) and more.

Now available from the Apple App Store, the new Walt Disney World Notescast contains a wealth of categories, including:
