

## Football Guru Quiz

Published on 03/04/14

Vixarix company is launching Football Guru Quiz 1.0, which is available for the iPhone, iPad and iPod Touch. The aim of the game is to answer the greatest number of topical questions about football in a minimal amount of time. To reply on each question, the player is offered four possible answers from which one chooses the correct one. In the menu, one can choose a mode for the most challenging game. A database with questions is systematically updated.

Glasgow, United Kingdom - Football Guru Quiz 1.0 was created with thoughts of a true admirers of football. After all, if a person has certain knowledges, it is always interesting to check whether they are complete and accurate. A quiz of Vixarix company, it is focused on people for whom the most popular sport in the world is a passion or hobby. Football Guru Quiz will help to assess the extent of football fanaticism, and makes it easy and fun.

Features of the game is that questions are copyright (author's questions) and were developed specifically for this project. To reply on each question, the player is offered four possible answers from which one has to choose the correct one. Depending on game modes (and this can be a standard game with 20 random questions, one minute game or game without a mistake) - for response, a player is allotted a certain amount of time. Quiz questions also have varying degrees of difficulty and relate to various aspects of football. A database with questions is systematically updated.
