

## **First Time Ever: Alice in Wonderland on the iPod Classic as a Notescast**

Published on 07/24/09

TimeStream Software today announces the first ever release of "Alice's Adventures in Wonderland" for the iPod Classic and iPod nano's Notes feature. Now iPod owners can read this classic tale of Alice's journey down the rabbit hole on their iPods. Free downloads for a limited time at the Notescast web site.

Portland, OR - TimeStream Software today announces the release of its new "Alice's Adventures in Wonderland" Notescast app for the iPod Classic and iPod nano. Available as a free download for a limited time on the Notescast web site, the classic tale of Alice's journey down the rabbit hole filled with some of the most notable ... and interesting ... characters in literary history is now available for iPod Classic, iPod nano and iPod 5th Generation (Video) owners to read in the palm of their hand wherever they go and whenever they want.

"To our knowledge, this is the first time 'Alice's Adventures in Wonderland' has ever been developed specifically for the iPod's Notes feature." said Mike Westby of TimeStream Software. "We're pleased to bring this classic story to the iPod and have it join our other popular Notescast titles."

### Minimum Requirements:

\* iPod Classic, iPod nano and iPod 5th Generation

### Pricing And Availability:

The new "Alice's Adventures in Wonderland" Notescast for the iPod Classic and iPod nano is available with free downloads for a limited time on the Notescasts web site. TimeStream Software's "Alice's Adventures in Wonderland" Notescast for the iPhone and iPod touch is available on the App Store for \$0.99 (USD). To find this App, search for "Notescast" within iTunes.

The "Alice's Adventures in Wonderland" Notescast is available for the iPod Classic and iPod nano at the Notescast web site. Additional Notescast titles from TimeStream Software for the iPhone, iPod touch, iPod Classic and iPod nano include "Walt Disney World Secrets", "Walt Disney World Guide", "Disneyland Park", "Disney's Animal Kingdom Hidden Mickeys", Performance Journey's "Disney at Work: Magic Kingdom" and others. Visit the Notescast web site to learn more.

### About Notescasts:

What the App Store is for the iPhone, the Notescast web site is to the iPod Classic and iPod nano. Develop and post your own Notescasts, as well as download Notescasts from the Notescast web site. iPod Classic and iPod nano owners can download such Notescast titles as Walt Disney World Notescast, Walt Disney World Secrets Notescast, Disney's Animal Kingdom Hidden Mickeys Notescast, Disneyland Park Notescast, Glacier National Park Notescast, Yosemite Valley Hikes Notescast, Sheraton Maui Resort Notescast and more. New Notescast titles are always being added. To learn more, visit the Notescast website.
