Published on 04/14/14

Riaxe announces the launch of Learn ABC - a unique educational app for children. This app is intended to make learning fun for kids in the iPad way. This is the perfect app for parents to teach their toddlers in an interesting and engaging manner. The animation and use of bright colors will appeal to children. Learn ABC has eight chapters for children to learn in a beautiful graphical manner. They include the alphabet, colors, animal sounds, and more.

Bhubaneswar, India - Riaxe is delighted to announce the launch of Learn ABC - a unique educational app for children. This app is intended to make learning fun for kids in the iPad way. This is the perfect app for parents to teach their toddlers in an interesting and engaging manner. The animation and use of bright colors will appeal to children. There are eight chapters for children to learn in a beautiful graphical manner.

They are:

* A for...

This is the classic alphabets to pictures matching challenge for kids to learn the naming convention. Fast Learning of alphabets guaranteed

* Match me if you can

A general assorted Match the following' series of beautiful images of different things and pairs

* Color Color which color?

Colored balls and buckets to match, watch them pop when you answer wrong. This is a game to play and learn colors

* Listen Carefully

Sounds of animals are played in this chapter and children have to tap on the image of the animal that makes the sound

* Find my Shadow

Shadows of animals are shown on the screen and one has to figure out which animal it is.

This helps children to empower their visual skills

* Can you count?

This is the numbers game. Here things in different quantity are displayed and one has to guess the number of the product. This is the first step of mathematics

* Please paint me

This is a coloring book. Helps bring out the artist in them. Sticks of various colors are available. One needs to fill in the pre-defined shapes

* Spell-bee

This is another important step of learning. Spell-bee chapter shows images of popular things that children find attractive. They have to fill up the alphabets

Device Requirements:

* Compatible with iPad

* Requires iOS 4.3 or later

* 45.6 MB

Pricing and Availability:

Learn-ABC 1.0 is free and available worldwide exclusively through the App Store in the Education category. More versions can be expected in the future.
