

The first Scratch and Win app for the iPhone

Published on 07/24/09

Smudge Apps today is proud to announce Scratchies, a fun new iPhone Application to put Scratch and Win on the iPhone. Your goal is to help Tim earn money to pay back Fang by scratching as many instant win cards as you can. With an all original soundtrack and stunning bright graphics, users will want to show off this app to their friends. With Facebook Integration, you can tell your friends just how good you are at Scratchies without ever having to leave the app.

Christchurch, New Zealand - Scratchies, a fun new iPhone Application from Smudge Apps is the first to put Scratch and Win on the iPhone. In this entertaining app your goal is to help Tim earn money to pay back Fang by scratching as many instant win cards as you can. With an all original soundtrack and stunning bright graphics, users will want to show off this app to their friends to show them how cool their iPhone or iPod Touch is.

With Facebook Integration, you can tell your friends just how good you are at Scratchies without ever having to leave the app. Users can simply have their High Score appear on their Facebook status page. With a number of entertaining looking cards users can all have a go at trying to win the grand jackpot prize of \$25,000. This App leverages the full potential of the iPhones ground breaking technology, utilizing the widescreen Touch display to deliver a visually impressive wherever you are.

Feature Highlights:

- * Fun Addictive interface
- * Upload High Score to Facebook

System Requirements:

iPhone or iPod Touch running 3.0 or later

Pricing and Availability:

Scratchies is available right now for the special introductory price of \$0.99 on the App Store.
