ThinkMac.net is giving away software to celebrate the 300th Episode of it's wildly popular podcast Mac Tips Daily! As they countdown to episode 300 they will be giving away copies of highly acclaimed applications such as 1Passwd, Print Folio, Posterino, Art Text, and Picturesque.

FOR IMMEDIATE RELEASE

Blacksburg, VA - Tuesday, July 24, 2007 - ThinkMac.net, the popular Apple and Mac enthusiast site is celebrating the 300th episode of it's flagship podcast Mac Tips Daily!

The celebration includes a software give away to recognize the 300th Episode of the wildly popular podcast Mac Tips Daily!

Their contest theme is 'Your First Computer'. ThinkMac is offering the chance to get nostalgic and think about your fondest memories of your first computer.

Entering simply requires telling them what your first computer was, and what your fondest memory of it is.

"We think sharing your fondest memories of your first computer is a very exciting way to celebrate this milestone.", according to Jonathan Cost, host of Mac Tips Daily!

Software is provided courtesy of Belight Software [Art Text, Print Folio], Agile Web Solutions [1passwd], Zykloid [Posterino], and Acqualia [Picturesque].

Contest entries will be accepted from July 22, 2007 - July 29, 2007.

The winners will be announced the following week online at ThinkMac and Mac Tips Daily!. Winning entries will be posted online at ThinkMac.

The contest is open to anyone except family of www.thinkmac.net and their affiliates.
